# HOW TO DOWNLOAD THE COLLECTOR APP
## IPHONE
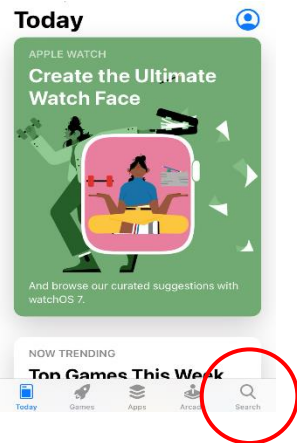

The Collector app will need to be on your phone **BEFORE** going out to pick up traps.

1. On your iPhone, open the **App Store**.

*On Android/Samsung devices go to Play Store.*
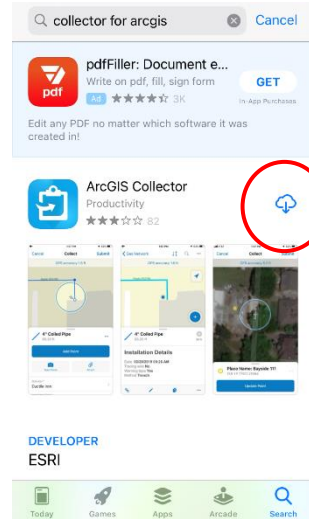

2. In the App Store, select **Search**.

3. Type **collector** in the search field.
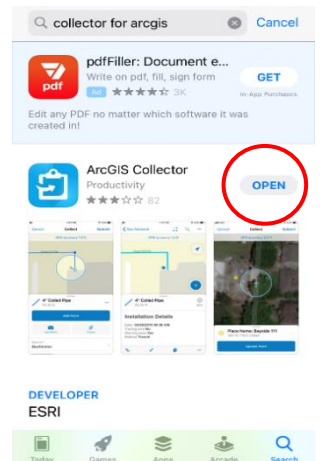

4. Select **collector for arcgis**

5. Select the cloud symbol to download **ArcGIS Collector**.

The progress of the download is shown by the blue circle.

6. When the download is complete, select **Open**

7. Select **Sign In with ArcGIS Online** to open the Collector app.

8. Sign in using the Username and Password provided to you.
